

**REMARKS**

A Notice of Allowance and Fee(s) Due was mailed on June 14, 2006. In an Examiner's amendment that was enclosed therewith, the Examiner amended the title to read: "DISPLAY DEVICE AND DIODE ARRAY PANEL THEREFOR, WHEREIN THE DIODE ARRAY PANEL COMPRISING THE FIRST DIODE HAVING A RESISTANCE DIFFERENT FROM THE SECOND DIODE".

The above-referenced application claims have been reviewed for minor typographical errors, and such errors have been detected and corrected in the currently amended claims 2, 5 and 6. Such correction is permitted pursuant to 37 C.F.R. § 1.312, after the mailing of the notice of allowance and prior to the payment of the issue fee, without withdrawing the application from issue. The proposed amendments to claims 2, 5 and 6 merely correct typographical errors, specifically, to replace "comprises" with comprise in claims 2 and 5, and to replace "includes" with include in claim 6. No new matter has been added and no change to claim scope is made by the amendments.

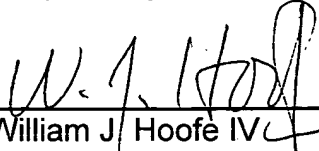

In the Examiner's Amendment, the Examiner stated: "[s]ince the title of the invention is not descriptive, a new title is required that is clearly indicative of the invention to which the claims are directed." Applicants respectfully disagree and submit that the title "DISPLAY DEVICE AND DIODE ARRAY PANEL THEREFOR" *is clearly indicative of the invention to which the claims are directed*, because claim 1 is directed to a "liquid crystal display" and claim 4 is directed to a "diode array panel for a display device". Therefore, Applicants submit that the Examiner's amendment of the title to read "DISPLAY DEVICE AND DIODE ARRAY PANEL THEREFOR, WHEREIN THE DIODE ARRAY PANEL COMPRISING THE FIRST DIODE HAVING A RESISTANCE DIFFERENT FROM THE SECOND DIODE" is not required. Therefore, for the above-

stated reasons, the title should be restored to read: "DISPLAY DEVICE AND DIODE ARRAY PANEL THEREFOR". The Examiner's entry of the above amendments is respectfully requested.

An early and favorable consideration is earnestly solicited.

Respectfully submitted,

Dated: September 14, 2006
